

IBIS Connect

NEXT GENERATION VISION TESTING SOFTWARE

www.ibis.vision

IBIS-Connect is cloud-based software that seamlessly connects you with your patients wherever they are.

What you'll get:

- The ability to test patients from the comfort of their own home.
- Maintain a face to face connection via our interactive video software
- Monitor patient progression and view results throughout their appointment

One connection, multiple uses

- ✓ Pre-screening before appointments
 - ✓ Remote triage
 - ✓ Pre/Post follow-ups after treatment

Our popular tests include:

Visual Acuity

Visual Field

Amsler

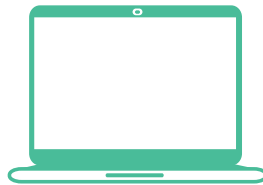

Colour
